IV INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

IMMERSIVE TECHNOLOGIES IN EDUCATION (ITE-2024)

April 30, 2024

Kyiv, Ukraine (blended format)

Dear scientists, teachers, doctorate students, students!

The conference committee invites you to present your reports, actively participate in discussions, and exhibit your own software, electronic, and information resources

The purpose of the conference is to develop theoretical foundations and exchange practical experience of using immersive technologies in the educational process of educational institutions of different levels.

Conference issues

- 1. Methodology of pedagogical activities with the use of immersive technologies in educational activities.
- 2. Immersive technologies in STEM/STEAM education.
- 3. Theoretical-methodological and psychological-pedagogical aspects of using immersive technologies in educational institutions.
 - 4. Augmented reality technologies in education.
 - 5. Virtual reality technologies in education.
 - 6. Measuring the impact of immersive technologies on learning outcomes.
 - 7. Health-preserving aspect of using immersive technologies in the educational process.
 - 8. Assessing the quality of educational material with augmented reality.
 - 9. Artificial Intelligence in education.

Conference conditions

Language: Ukrainian, English.

Forms of participation: offline, online (remote).

Forms of presentation: plenary report, sectional report. Conference participants will receive electronic certificates.

The participation is **free**.

Important dates

By April 22 – Registration and sending submissions;

By April 26 – Adoption of the program committee's decision to include submissions in the conference program; By April 29 – Publication of the conference program on the Conference web (https://sites.google.com/view/ite2024) and we website and website of the IDE NAES of Ukraine (https://iitlt.gov.ua/);

April 30 – The Conference Day.

Conditions for participation

By April 22, it is necessary to:

1) Register here or via QR-code:

2) Send the submission (thesis) to the email address: 2024ITE@gmail.com

Requirements for the submissions

- 1. The submissions must be original, not previously published and not under consideration for publication at the time of sending to the conference coordinators.
- 2. The submissions should be submitted in Microsoft Word document format.
- 3. The submissions should contain a short message about scientific research or practical results of the author(-s) related to the subject of the conference.

The submissions will be included into the proceedings of the conference (e-format), with the provision of ISBN, and placed in the e-library of the National Academy of Educational Sciences of Ukraine.

Formatting instructions: submission should be a single file of at least 3 pages (together with the references), A4 format, book orientation, all margins – 2.5 cm, 12-point, paragraph – 1.25 cm, line spacing – 1. Such elements must be present: the surname and the first name of the author(s), then (next line) – affiliation to the institution where the research was carried out, then (next line) – city and country. From the next line, the title is printed in capital letters, center aligned. Next, the main text is given. **The text should contain the following elements:** statement of the problem and purpose, a statement of the main results of the research, conclusions and prospects for further development. The text should be followed by the references, in accordance with APA Style (https://apastyle.apa.org/style-grammar-guidelines/references/examples). Links to sources are mandatory, DOI is preferred.

The authors of the submissions recognized by the program committee may be recommended to submit full and original works that expand the content of the theses in the international peer-reviewed e-journal in educational sphere "Information Technologies and Learning Tools" of the Institute for Digitalisation of Education of the National Academy of Educational Sciences of Ukraine, which is indexed in scientometric databases, including Web of Sciences Core Collection.
